- Laptop/tablet
- Camera
- Adaptor plug
- Chargers
- Power bank
- Memory card
- Binoculars
- Torch

PACKING TIPS

- When choosing clothes, versatility is key. Pick items that you can:
 - Dress up or down to match any occasion
 - Layer up to keep warm on early morning adventures, but strip down to cool off as the temperature rises
- Choose neutral colours when dressing for your safari to blend into the environment - but avoid white
- BYOB - Bring your own binoculars
- Insulated water bottles can keep warm or cool drinks fresh all day - ideal for long days out
- Purchase empty travel-size containers to fill with your skincare staples

Safe Travels!
